Request List for the FCO and Madrid Embassy:

Point One:

We would like copies of the Madrid Embassy phone calls made by me to Paul Stoodley and Toby Child from Javea, we know they exist as i was told by both Charles F Formby Seville liaison officer, that the calls to the Embassy were recorded and i should be careful what i said when calling the MI6 guys at the Embassy, i was told to call them Liaison officers:

This is the telegram that was sent to me by Charles Formby of the Seville consulate. It has the name Charles Axon on, that was the name i was being held in prison under as a protected witness. Please note the phone number on the telegram it was added to the document through the prison window directly from Charles Formby and will be electro statically tested to the time 1994 in the coming court case.

These are two documents that prove that the case from the Spanish court had me held in prison as Charles Samuel Axon. The first is the release document from the prison with Charles Samuel Axon on, the second document is the release order with no finance for bail, on this document it states both my real name Gary Owens and also explains that i was held in prison under the name Samuel Axon for reasons of security

The phone calls we are talking about were between Gary Owens and Paul Stoodley and Toby Childs who we knew as MI6 Agents from the Madrid Embassy. The calls were made from Javea in 1994/95 to the Embassy.

We wish to know the current whereabouts of Paul Stoodley, Toby Child and Charles Formbys so we can get affidavits/court appearances from them, where they will appear before a Spanish Juez de Instrucción. SOCA (Serious Organised Crime Agency) stated in court that they had spoken to Paul Stoodley and Toby Childs and that they did not recall the phone call telling us to go back to the UK due to a threat to our lives. SOCA stated this in court during my extradition. We don't believe Paul Stoodley and Toby Childs were asked, and want Stoodley, Childs and Formby in court to swear on oath. SOCA purged themselves twice in the UK extradition and were caught doing so by the magistrate on one occasion, we believe the other occasion is this statement relating to the recollection of the phone call we made to them where they told us to go back to the UK as a matter of urgency for our security. Their entire extradition case pivoted on this statement, if what we are saying is true the extradition would not of stood.

Point Two:

We would like an explanation as to why the letter from the FCO has all the wrong information on? Nothing on the letter is correct, its misleading and incorrect, the wrong court is named and the wrong information. We are being fed a load of rubbish from the courts, the case has now had four courts and four Fiscals (like the CPS), the whole case is corrupt and a miscarriage of justice brought about by unscrupulous security services representing the UK, the Spanish have no idea what the case is about. Our point is, why can the FCO not find out the real information, or is it that they don't want to because of the ramifications that will ensue from the fact that the UK police lied to the Spanish authorities about the extradition. We want the facts and will be pursuing this in the UK high court shortly, this is a chance for the FCO to shed some light that we know they have on this case or face the press and courts with it.

Point Three:

We would like the FCO and Embassy in Madrid to put pressure on the Spanish authorities in Madrid over this miscarriage of justice. We would like and expect the British Government to intervene at government level in Madrid, we know this is possible as the Under Secretary of state for the UK Sir Mark Lennox Boyd already did this once, we have correspondence relating to this and were told directly by Charles Formby that he flew out to Madrid and did this, it was in the newspapers here in Spain and in the UK at the time. We have written to the Prime Minister and he has asked for further information, this letter will be forwarded to the prime minister along with a full brief of the case. We have decided to go the court case route and will be bringing criminal charges and suing the UK government for false imprisonment and illegal extradition, conspiracy to pervert the course of justice among other charges in the coming months.
